

REFEREE CONTRACT

AGREEMENT between _____ (“Referee”) and Gallup Adult Soccer League

Referee agrees to provide soccer refereeing service to Leagues when available at the request of the Referee Assigner employed by Leagues.

Referee is not an employee of Leagues, but rather an independent contractor. As such, Referee shall be responsible for paying all income, FICA and gross receipts taxes that may accrue as a result of his/her services, and Leagues shall have no right to control the manner in which Referee performs the refereeing services. Leagues shall provide no insurance coverage to Referee. Referee shall provide all his/her equipment and uniforms.

Leagues shall pay Referee in accordance with the most-recently published schedule of rates no later than forty-five (45) days following the submission by Referee to Leagues of a written game report. Payment shall not be contingent upon the outcome of the match or performance of Referee.

Referee agrees to submit a written game report on a form acceptable to the Leagues, received by the respective League no later than seven (3) days following each game officiated. If available, Referee may submit written game report electronically by submission to the appropriate League electronic mail address. Payment for games not reported within seven (7) days of the game shall be made only at the discretion of League.

The existence of this Agreement does not guarantee that Leagues will assign any matches to Referee, or assign matches of any particular type. Neither does this Agreement obligate Referee to referee any particular number or type of match.

This Agreement shall remain in effect until superseded or terminated in writing.
